

This technical drawing illustrates a road intersection and its surrounding infrastructure. The main road, labeled 'ul. Okopowa', runs horizontally across the top. A secondary road, 'ul. Żytna', runs vertically through the center. The intersection is marked with a central square and various traffic signs, including 'No Entry' (red circle with a white bar), 'One-Way' (blue square with a white arrow), and 'Priority' (blue square with a white 'P'). Traffic lights are positioned at the intersection. The drawing also shows pedestrian crossings, bus stops, and various road markings such as lane lines, crosswalks, and stop lines. A large blue watermark 'Konsulting' is overlaid diagonally across the center of the drawing.

This technical drawing illustrates a road intersection and its surrounding infrastructure. The main road, labeled 'ul. Okopowa', runs horizontally across the top. A side road, 'ul. Żytna', branches off vertically from the main road. The intersection is controlled by traffic lights, with signal heads shown for both directions of travel on 'ul. Żytna'. Various traffic signs are indicated by lines pointing to their locations: blue rectangular signs with white 'P' for parking, red circular signs with blue borders and white symbols, and blue triangular warning signs. A detailed inset on the left side of the drawing shows a close-up of a specific signpost, listing several signs: a blue 'P' sign, a red circular sign with a blue border and a white symbol, a blue triangular sign with a white symbol, and a red circular sign with a blue border and a white symbol. The drawing also shows the layout of the road, including lane markings, sidewalks, and building footprints along the streets.
